domini magna igne combullit: et totum murum iherusalem per circuitum destruxit cunctus exercitus caldeorum qui erat cum magistro militie. De pauperibus autem populi et de reliquo vulgo quod remanserat in ciuitate et de perfugis qui transugerant ad regem babilonis et ceteros de multitudine. transtulit nabuzardan princeps militie: de pauperibus vero terre reliquit nabuzardan princeps militie vinitores et agricolas. Columnas quoque etas que erant in

tate: et scribas principem militum qui prebatur tyrones: et sexaginta viros de populo terre qui inuenerunt in medio ciuitatis. Tulit autem eos nabuzardan magister militie: et duxit eos ad regem babilonis in reblatha. Et posuit eos rex babilonis: et iter fecit eos in reblatha in terra emath. Et transiit iuda de terra sua. Hic est populus quem transtulit nabuchodonosor in anno septimo: iudeos tria milia: et vigintitres. Qui anno octauo iuda nabuchodonosor transtulit de iherusalem annos odiginta sex gradibus.

Levi Quomodo erit tota terra plena populo. Facta est quia vidua domina gentium: princeps pauperum facta est sub tributo. **Sed** Plorans plorauit in nocte: et lacrimis eius in maxillis eius. Non est qui consoletur eam: ex omnibus caris eius. Omnes amici eius speruerunt eam: et facti sunt ei inimici. **Emel** Migrauit iudas propter afflictionem et multitudinem secuturum. Habitauit inter gentes: nec inuenit requiem. Omnes persecutores eius apprehenderunt

ad omnia desiderabilia eius: quia vidit gentes ingressas sanduacium suum: de quibus precepas ne intrarent in ecclesiam tuam. **Sapientia** Omnis populus eius gemit: et querens panem. Dederunt preciosa quicquid pro cibo: ad refocillandam animam. Vide domine et considera: quoniam facta sum vilis. **Iam** Vos omnes qui transitis per viam aduertite et videte: si est dolor sicut dolor meus. Quoniam vindemiauit me ut locutus est dominus:

Places to Eat

Eating cheaply in Munich is much like anywhere else in Germany. Go where the locals go - mostly to the less touristy beer halls and restaurants, or one of the many markets.

At **Viktualienmarkt**, just south of Marienplatz, you can put together a picnic feast to take to Englischer Garten for DM10 or less per person. More prosperous picnickers might prefer the legendary **Alois Dallmayr** at Dienerstrasse 14, one of the world's greatest (and priciest) delicatessens, with an amazing range of exotic foods imported from every end of the earth. There is a cheap **Turkish Market** near the Hauptbahnhof at Goethe-

tating daily menus and main courses for as little as DM16. Italian food is a good deal in Munich and one of the best restaurants is **Cipriani** in the Asam-Hof, a small courtyard just off Sendlinger Strasse. Its patio is a calm oasis amid the urban din.

Cafés Centrally situated cafés cater largely to tourists and therefore tend to be rather expensive. The hip **Faun**, Hans-Sachs-Strasse 17 at Westermühlstrasse, has nice outside tables and surprisingly good beer prices. **Stadtcafé** at the Stadtmuseum is a popular haunt for Munich's intellectual set. **Vorstadt Café**, Türkenstrasse 83, is one of many lively student hangouts in the city and is open until at least 1 a.m.

Entertainment

Munich is one of the cultural capitals

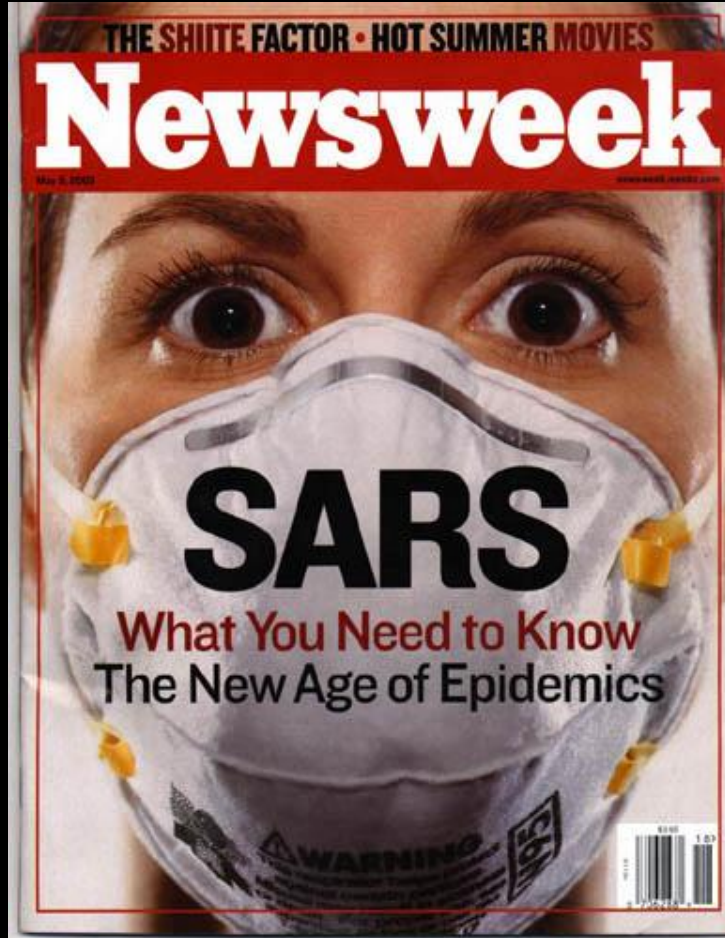

Several breweries run their own beer halls, so try at least one large, frothy, litre mug (called a *Mass*) of beer before heading off to another hall. Most famous is the enormous and tourist-packed **Hofbräuhaus**, Am Platzl 9. That there is a Planet Hollywood now across the street should tell you everything you need to know about the place. Far better is the **Augustiner Bierhalle**, Neuhauser Strasse 27, an authentic example of an old-style Munich beer hall that is filled with happy locals munching platefuls of cheap chow.

On a summer day there's nothing better than sitting and sipping among the greenery of the city's beer gardens. In the Englischer Garten is the classic **Chinesischer Turm** beer garden, although the nearby **Hirschau** beer garden on the banks of the Kleinhesseloher See is less crowded. The **Augustiner Keller** has a large and leafy beer

other carriers such as Deutsche BA (☎ 29 21 21). For general flight information, call ☎ 97 52 13 13.

Bus Munich is linked to the Romantic Road by the Deutsche-Touring (also known as Europabus). Munich-Frankfurt service (see Getting Around in the following Romantic Road section). Inquire at Deutsche-Touring (☎ 59 18 24), near platform 26 of the Hauptbahnhof, about their international services to destinations such as Prague and Budapest. Buses stop along the north side of the train station.

Train Train services to/from Munich are excellent. There are rapid connections at least every two hours to all major cities in

A photograph of a dirt path leading through a grassy field. The path is made of dark soil and is flanked by green grass. Several wooden fence posts are visible, some in the foreground and some in the background. The path leads towards the background, where it seems to curve slightly to the right. The overall scene is bright and sunny, with some shadows cast by the fence posts.
